Jacksonville, FL 32207

Task	Rate	Qty	Amount
<p>2090 S Highway 29Cantonment, FL 32533Price: \$900REMOVAL: Removal of existing vinyl graphics on 22 panes, approx 256 sq ft: This could be a tough removal. I would need to be able to adjust our price if the vinyl is baked onto the glass. I am even willing to video the removal. I don't want to get on-site and spend 2 days removing. If it comes off will normal expectations can remove this for this price including the installation</p> <p>LABOR: Remove/cut out the existing caulk and supply new caulk. Install new caulking on window panes after WG install. Approx: 190 LF</p> <p>Labor for removal and replacement of Caulk would be an extra \$250</p> <p>Are we supplying the caulk?</p> <p>INSTALLATION: Installation of 3M IJ35C control tac with matte laminate photo-quality graphics on vinyl to be applied to 1st surface, 23 panes, approx 260 sq ft</p> <p>There would also be a \$75 trip charge added to this location</p> <p>I would need \$1225 for this location</p>	\$1,225	1	\$1,225

Subtotal \$1,225.00
Total ? \$1,225.00
